Proceedings of the Meeting of Council dated 26,12-1942

31 Opinion of the Managing Committee dated 24-11-1942 that A D Ramiah, Municipal Advocate's Clerk may be given the maximum of Rs 40/- in his grade of 25-1-30-1-40

Mr M A Gopalaswami Iyengar observed that advance increments were given only in exceptional cases when the work of the official required a special recognition and that too, only two advance increments were usually given But now the recommendation was to give the official five increments and this was a bad precedent and also a bad principle He was earning his increments in the usual way and by giving him advance increments, they would be creating heartburn amongst the other clerks Since the cases of others referred to the Finance Committee had been held up The President informed the Member that the clerk had been recommended a Personal Allowance of Rs 10/- per month on account of his good work but the Managing Committee, after deep deliberation, had sanctioned him five advance increments Mr M A Gopalaswami Iyengar observed that the official was being given a C A of Rs 5/- per month and there was no necessity for this special recognition

The Commissioner informed the members that this clerk had very heavy work to discharge, and that in view of this, the Municipal Advocate had recommended Rs 10/- Personal Allowance, but when the same came up before the Managing Committee, he had opined that instead of a Personal Allowance, they may sanction a Duty Allowance to the post so that who ever was posted to that place would get the allowance, but this was not approved by the Committee, who have sanctioned five increments to this clerk

Mr V K Govindarajulu next observed that it was no doubt true that advance increments were given as special recognition of one's merit and capacity In this case, the clerk has to attend to the Advocate's office from morning and on many days he had to go without food In view of the heavy work, the

Managing Committee had recommended five advance increments, but since, as Mr N A Gopalaswami Iyengar said it would be a bad precedent, they might give him two advance increments

Mr n R -Guruv Reddy observed that there was nothing in the way of their giving as many increments as they liked, but it was expected they would give increments after good deal of deliberation and discretion If one was really efficient and capable, they ought to encourage such an official

Then after some more discussions, it was resolved that a Duty Allowance of Rs 5/- per month may be attached to the post so that any clerk that works would get the allowance
